Pro Silicone Baking Mat

Your new Pro Silicone Baking Mat has been designed to give you joy through cooking. For a lifetime.

Half sheet size.

Designed to fit the most common baking pans.
Size: 16.5"×11.625".

Thicker than others.

At 1mm thick, you can be sure your baking mat will stand the test of time.

Durable and safe.

Withstands temps from -40°F to 480°F. Uses FDA approved high heat silicone and fiberglass.

Nonstick surface.

Food slides off the baking mat surface easily every time.

Use and Care Instructions

Please follow these tips to ensure your baking mat continues to serve you well and has a long life.

- ✓ **Wash first.** Wash in warm soapy water with a soft sponge before first use. May wash in dishwasher.
- ✓ **Use on baking pan.** Always place on a baking pan for use in the oven.
- ✗ **No abrasive soaps or pads.** Using abrasives can damage your baking mat.
- ✗ **No sharp objects.** Do not cut or use sharp objects on your baking mat. If damaged, do not use.
- ✗ **No open flames.** Do not use on a grill or over open flames.
- ✗ **No stovetop.** Do not place on hot stovetop burners.

Forever Guarantee

DI ORO

Love Cooking. Love Life.

Our promise.

Our promise is a better cooking experience, unencumbered by inadequate culinary equipment.

We're here as a trusted partner, enabling you to cook with confidence using kitchen equipment equal to the task at hand. Making food for our families is a daily ritual and central to every event, celebration, gathering, and tradition. Our purpose is to help you experience joy through cooking and savor the milestones of life, whether big or small.
